

7-Day Diabetic Snack Guide

by DrZeeBites - drzeebites.com

Placeholder edition - the final guide is coming soon.

Seven days of quick, low-carb, high-protein snacks - most of them straight from the air fryer.

Day 1: Crunchy parmesan zucchini chips

Day 2: Air fryer chickpea crunch (small portion, high fiber)

Day 3: Chorizo frittata bites

Day 4: Smoked paprika almonds

Day 5: Crispy halloumi fries with yogurt dip

Day 6: Cinnamon apple crisps (thin-sliced, blood-sugar friendly)

Day 7: Air fryer edamame with sea salt

This is a placeholder file. The full guide, with complete recipes and nutrition facts per snack, will replace it soon.

While you wait...

Every snack in the final guide follows the DrZeeBites rules:

- Ready in 15 minutes or less
- Low net carbs, high protein
- Complete nutrition facts included
